Hey, I'm Cass!

I work at ArrKann RV helping people find the trailer that actually fits how they camp- not just what looks good on the lot.

For me, camping is all about slowing down, getting outside, and making great memories. The right setup makes all the difference!

Whether you're brand new to trailers or just looking for honest advice, I'm always happy to chat to help you figure out what works best for you.

- Watch for signage at main entrances of each neighbourhood at least 24 hours prior to the week cleaning is scheduled. The temporary, white signs indicate the week scheduled for sweeping.
